

IN THE SUPREME COURT OF THE STATE OF ALASKA

BOBBIE ANN HUNTER,

Petitioner,

v.

Supreme Court No. S-18099

STATE OF ALASKA,

Respondent.

Court of Appeals No. A-13250

Trial Case No. 4FA-18-00729CR

OPPOSITION TO ENTRY OF JUDGMENT FOR COST OF APPOINTED ATTORNEY

VRA AND APP. R. 513.5 CERTIFICATION

I certify that this document and its attachments do not contain (1) the name of a victim of a sexual offense listed in AS 12.61.140 or (2) a residence or business address or telephone number of a victim of or witness to any offense unless it is an address used to identify the place of the crime or it is an address or telephone number in a transcript of a court proceeding and disclosure of the information was ordered by the court. I further certify, pursuant to App. R. 513.5, that the font used in this document is Arial 12.5 point.

Bobbie Hunter, through counsel, opposes the entry of judgment for cost of appointed attorney. The petition for hearing required minimal attorney time beyond the work already done for the appeal in the court of appeals. Undersigned counsel spent less than a day (less than 7.5 hours) on the petition. Further, a court-ordered evaluation in 3AN-21-06503CR recently determined Hunter to be incompetent to proceed. The case was dismissed before the court could make a finding regarding Hunter's competency. Undersigned counsel believes Hunter is unable to lodge her own opposition or advocate for her interests at this time.

Eric D. Yff swears:

1. I am the attorney assigned to represent the petitioner in the above-entitled case.

2. The facts set out in the opposition to entry of judgment for cost of appointed attorney are true to the best of my knowledge.

3. The petition for hearing required minimal additional research and writing beyond the research and writing I did for the opening and reply briefs in the court of appeals.

2 4. Although I did not contemporaneously track my time, I estimate that I
3 spent less than a full day (7.5 hours) of time on the petition for hearing. This estimate
4 is based on my review of timestamps of files on my computer as well as my memory.

6 5. Hunter was charged in 3AN-21-06503CR in August 2021. There was a
7 court-ordered competency evaluation which deemed Hunter not competent to
8 proceed. The court did not make a determination, however, because the case was
9 dismissed.
10

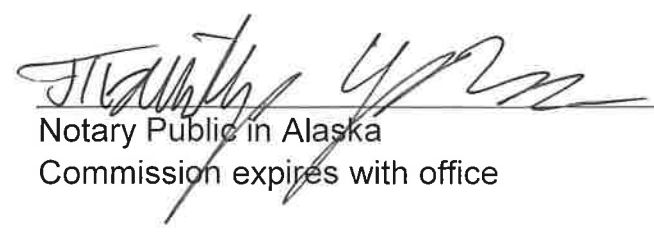

11 6. I have not been able to reach Hunter to inform her of her options
12 concerning opposing the entry of judgment for cost of appointed attorney. I believe
13 she would want to oppose the entry of judgment because she opposed the entry of
14 judgment for cost of appointed counsel in the court of appeals as well. My most
15 recent correspondence to her was returned to sender. I do not believe Hunter
16 presently has the capacity to advocate for her interests concerning the entry of
17 judgment for cost of appointed attorney.
